

How is Panthera Countering the **Illegal Wildlife Trade (IWT)**

Research and Monitor the Trade

Understanding the depth and breadth of IWT globally

Tracking trafficking patterns and trends and sharing with partners

Working with governments to plug capacity gaps

Reduce Poaching at the Source

Training and supporting elite anti-poaching teams

Promoting stronger judicial actions to effectively prosecute and sentence poachers and traffickers

Disrupt Transit and the Market

Training law enforcement, checkpoint officers, airport workers and other frontline staff to detect wildlife trafficking

Producing communication materials in multiple languages on the illegality of buying or selling wildlife parts
